Dear Mr. Hoopes:

On July 16, 2008, a phone/mail follow-up was conducted with your facility to verify correction of deficiencies noted during the Facility Fire Safety and Construction survey of June 3, 2008 and the Federal Comparative Facility Fire Life Safety and Construction survey of June 25, 2008. Caribou Memorial Living Center was found to be in substantial compliance as of **July 8, 2008**.

Enclosed you will find copies of the Post-Certification Revisit Report, Form CMS-2567B, for each survey, respectively, indicating that federal deficiencies K018, K050, K071, K072 and K101 have been corrected.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please feel free to call us at (208) 334-6626.

Sincerely,
